

GSBTM Sponsored Hands-on Training Program on

“Advance Techniques in Biotechnology”
Date: 14th & 15th December 2022

TRAINING HIGHLIGHT

DNA Isolation from Bacteria

- * Role of buffers and reagents in Nucleic acid extraction
- * Qualitative and Quantitative measurement with Nanodrop spectrophotometer

DNA Fingerprinting

- * Role of Restriction enzyme in fingerprinting
- * Analysis of Restricted band in Agarose gel and its Application in fingerprinting

Plant tissue culture

- * Importance of Media and plant growth regulators in tissue culture
- * *In-vitro* preparation of explant under controlled aseptic conditions for the growth of explant

Databases of Bioinformatics

- * Importance of Databases in 21st Century
- * Role of Systems Biology in Medicine and Pharma industrial research

WHO CAN REGISTER

- ✓ B.Sc. (Biotechnology / Lifesciences)

REGISTRATION FEE

- ✓ For Non-CVMU Student: Rs. 200 /- plus 18 % GST (Total: Rs. 236 /-)
- ✓ For CVMU Student: Rs. 200 /-

BANK DETAILS

- ❖ Name: A R PATEL INST AND RES IN BIO AND AL SCI HDFC Bank, New V V Nagar
- ❖ Account No. : 50200039227639
- ❖ BANK NAME : HDFC, CVM Branch
- ❖ IFSC CODE : HDFC0000183

ARIBAS

ASHOK & RITA PATEL INSTITUTE OF
INTEGRATED STUDY & RESEARCH IN
BIOTECHNOLOGY AND ALLIED SCIENCES

REGISTRATION LINK

REGISTRATION CLOSING DATE: 12/12/2022, Monday

In-Campus Accommodation is available

 [CLICK ME TO LOCATE ARIBAS](#) 

TEAM

Dr. Sandeep Chouatiya (991 330 1920)
Dr. Khushal Patel (997 836 5630)
Dr. Sanjay Lal (999 827 5667)
Dr. Sunil Khristi (942 764 0940)

Training Venue:

ARIBAS (Affiliated with the CVM University)
New Vallabh Vidyanagar Campus
Anand, Gujarat
